

CENTRES - GENERAL INFORMATION

All of the circular designs shown in this brochure are available in our three standard sizes - 25mm, 36mm and 50mm.

Please note that the colours representations in this catalogue are as close as the printing process will allow.

CUSTOM CENTRES

Customised Centres can be manufactured from your artwork. This may consist of a business card, letterhead, t-shirt, badge, existing centre etc.

We gladly accept emailed artwork, in Photoshop, Corel 14 or previous, Jpeg, Tiff, EPS, Illustrator, just to name a few. This product is stored for future use. If you are unsure about your electronic art, send us what you have and if we can't use it we will let you know.

PERSONALISED CENTRES

Why not add your Club or Organisation's name to one of our Generic Centres? We will personalise any centre in our range as shown below. Your choice of text is added as per samples below. No changes to the design are permitted (if you change elements of the design the centre will become a custom centre as above). Only one size is included in the fee, and it is not stored for future use. If you think that you may need the same design at a later date, please order more than initially required, or save the design as a custom centre. We cannot guarantee to precisely match a previously supplied Personalised Centre, but will do our best.
